**GENERAL DESCRIPTION**

A unique and unusual opportunity to rent a newly refurbished, incredibly secure site which features four individual garages with electric roller shutter doors that can be controlled from anywhere with your mobile device.

The site also boasts a modern office suite with two individual office rooms featuring skylink satellite broadband, included in the rent. The site is accessed off Stanley Street and through an electric controlled gate, again controlled through your mobile device and with infrared perimeter alarm system providing the ultimate in security and peace of mind. The yard has parking for multiple vehicles and the refurbished garages provide 775 sq ft of storage space. The office suite has just been refurbished and includes the fair usage of electricity plus the furniture on a repair and replace basis. The offices have double glazed windows and remotely controlled electric heating. Along with the features mentioned above, the site also has CCTV included.

**LOCATION**

The property is located down a private road off Stanley Street which is just outside of Tunstall town centre. The property is easily accessed from the A500, A527 and the M6 motorway.
